2026 TUITION & PAYMENT POLICY

Balance Gymnastics operates on a monthly direct debit payment system. Tuition fees are paid in advance to secure your child's place in their enrolled class, regardless of attendance. Memberships remain ongoing until cancelled in accordance with our Membership Cancellation Policy.

Monthly tuition fees are calculated based on the number of scheduled classes and automatically charged to the payment card saved on your account. No fees are charged for public holidays or other scheduled closures when classes do not run. An annual Registration & Insurance Fee is payable upon enrolment and once each calendar year thereafter.

CLASSES

- Classes run throughout the year, with scheduled breaks during Victorian school holiday periods.
- Balance Gymnastics is closed on Victorian public holidays. No tuition fees are charged for these days.
- Your child's place in their enrolled class is secured as long as tuition fees are paid.
- Balance Gymnastics may need to cancel, combine or change class times when necessary.
- If Balance Gymnastics cancels a class, families will receive a make-up token that does not expire.

Missed Classes and Make Up Tokens

We understand that gymnasts may occasionally miss classes due to illness or personal commitments. Make-up classes are offered as a courtesy to support families; however, they are not guaranteed, are subject to availability and are not an entitlement included with membership.

- **Absence Notice:** Families must record their child's absence through the Customer Portal at least 1 hour before class starts. Late notices and unreported absences are not eligible for make-up tokens.
- **Make-up Tokens:** A make-up token is automatically issued only after the missed class has finished, provided the absence was recorded correctly and on time. Tokens are not issued immediately when a future absence is recorded.
- **Validity:** Make-up tokens are valid for 30 days from the date of the missed class.
- **Bookings:** Make-up classes must be booked through the Customer Portal in a class of the same level, subject to availability.
- **Membership:** Make-up tokens can only be used while the gymnast has an active membership and tuition fees are up to date.
- **Restrictions**: Make-up tokens cannot be transferred to another child or used towards tuition fees.

Make-up tokens are a goodwill accommodation and should not be relied upon as a substitute for attendance.

Injuries and Medical Suspension

- If a gymnast is injured or sick for four or more consecutive weeks, a family may be eligible to receive a 50% credit for the missed classes, on provision of a doctor's certificate to the Club, within one week of the 'start' date indicated on the certificate;
- Certificate needs to state the period of the expected absence and how this injury/illness directly affects the gymnast's ability to participate;
- All decisions are at the discretion of management;
- Class positions cannot be guaranteed during a period of suspension;
- Classes forfeited during a medical suspension do not qualify for make-up tokens or credits.

Dangerous Weather & Unexpected Closures

- The safety of our gymnasts, families and staff is our priority.
- Classes may be cancelled due to extreme heat, severe weather, emergencies or government restrictions.
- We follow advice and directions from emergency services and relevant government authorities.
- Families will be notified as soon as possible of any class cancellations.
- If Balance Gymnastics cancels a class due to these circumstances, a make-up token that does not expire will be issued.

Refunds & Credits

- Tuition fees are paid in advance to secure your child's place in their enrolled class.
- Refunds or credits are not provided for classes families choose not to attend.
- Missed classes may qualify for a make-up token under our Missed Classes & Make-up Tokens Policy.
- Medical credits may be available under our Injuries & Medical Suspension Policy.
- Other refund or credit requests will be reviewed individually by management.
